

REMARKS

Claims 1, 2, 6, 7, 9-28, 31-45 and 47-53 are pending in the present application. By this Amendment, claims 1, 7, 9-11, 15-17, 19, 34 and 50 are amended for clarity. More specifically, the term "transceiver" has been amended to --transceiver-- throughout the claims. Further, each of independent claims 17, 19 and 34 has been amended for clarity.

Applicant gratefully acknowledges the Office Action's indication that claims 1-2, 7 and 9-18 are allowed. Further, each of independent claims 19, 34, 48, 49, 52 and 53 are also believed to define patentable subject matter for at least the reasons set forth in the response filed October 17, 2005. Havinis and Alewine, either alone or in combination, do not teach or suggest all the features of the independent claims.

CONCLUSION

In view of the foregoing, it is respectfully submitted that the application is in condition for allowance. Favorable consideration and prompt allowance of claims 1, 2, 6, 7, 9-28, 31-45 and 47-53 are earnestly solicited. If the Examiner believes that any additional changes would place the application in better condition for allowance, the Examiner is invited to contact the undersigned attorney, **David C. Oren**, at the telephone number listed below.

To the extent necessary, a petition for an extension of time under 37 C.F.R. 1.136 is hereby made. Please charge any shortage in fees due in connection with the filing of this,
